

OUR TOWN

Clinton, NJ

Issue 61

June 2005

From the Mayor's Desk...

Matthew Holt

As I look outside while putting my thoughts together for this edition of the newsletter, I see the greens of spring and I am reminded that summer is almost here. The downtown streets have begun to fill in the evenings with people looking to shop and dine, and everywhere I look residents are enjoying all that Spring/Summer in Clinton has to offer.

The annual Fishing Derby, sponsored by the Pender Family, seems to indicate the beginning of the spring/summer activities in Town. While the rain dampened the ground, it did not dampen the spirits, and seemed to bring the fish to the surface. Largest Trout came in at 18 7/8" and just under 3 pounds.

Many activities are planned for the summer months, but all should look to attend the famous and fun Rubber Ducky Race, and the Sprintin' Clinton Road Race on July 10th. Add to that, on July 16th, the Town Picnic in Hunts Mills Park, complete with our own private Clinton Fireworks, which help to complete a day of families and friends gathering to just enjoy the town and each other.

After much work this winter, the Council and I were

proud to introduce a budget which allowed for **no** increase in local municipal taxes. While this cannot be accomplished in every year, we worked with the very talented Town staff to provide as lean a budget as possible, without any major service cuts to the property owners.

We congratulate several Town employees who have reached years of service levels which we recognize.

- 5 years of service** - Ceil Covino, Allison McGinley, Diana Kubik, Donna Booth
- 10 years of service** - Bob Cutter, David Burdge, Dave Zyck, George Moore
- 15 years of service** - Brett Matheis, Joy Wilson
- 30 years of service** - Nancy Smith

We also offer congratulations to the following residents and departments for awards recently received.

#1 Ron and Martha Subber for their recent award from the YMCA for their outstanding work for the Lend A Hand Program. I thank them personally for allowing Megan and myself to participate with them on such a special occasion.

#2 The Clinton Rescue Squad for not only dedicating their new building, but for receiving an Award for the building from the Hunterdon County Planning Officials. This building is the culmination of a three decade old dream, proving that hard work, dedication, and vision really makes dreams become realities. Keep up the good work. We are so very fortunate to have the quality of volunteers in our Squad and Fire Department that serve the Town so very well.

Enjoy the Summer.

Matthew Holt - Mayor

Department of Fire Prevention by Jack Daniels

What is Fire Prevention? Does anyone really have a clear idea or definition for it? I'll bet if you ask 10 people there are 10 different ideas and opinions. For the officials and firefighters that work with it everyday, fire prevention is very clear. Let's prevent the fire before it happens. This seems to sound easier than it is though. Most of us have seen what happens when a fire occurs in a building and how it can destroy and devastate a business and lives. So I think it appropriate to discuss the concept (because that is what it really is, a concept) of **Fire Prevention**.

First, there are many different things to consider. What are we trying to protect from a fire? Is it lives, property, money, someone's livelihood? The answer is yes to all of these. Fire Prevention RESULTS in all of the above. But first we all must realize that it is the thought before the fire that is what really matters. Put some real thought into how to prevent a fire. Then plan what to do in case a fire occurs. Not only in your home but wherever you are. Whether you are at work, at the store or at the park, think of what you would do if a fire occurred now. This is the single most important thing I can speak about. Unfortunately, all buildings will experience some sort of fire in the life of the building. So you need to plan for that situation. You will increase your odds of survival and of recovering from the effects of a fire by planning ahead. There is so much information on the Internet about this issue and other safety issues. You can search the web with key words like "Fire Prevention" or "Fire Safety". Here are just a few sites that I know of. (Please Note: The Town of Clinton Fire Prevention Department is providing these links as a source of information and does not support any advertisements or products that may be found within these links.)

<http://www.flash.org/welcome.cfm>
This site contains lots of info about all types of emergency situations from fires to tornados.

<http://www.usfa.fema.gov/safety/>
This is the US Fire Administration website loaded with info and reports. The reports will highlight just what is happening in our country.

<http://www.nfpa.org/index.asp> This is the website for the National Fire Protection Association. This association has been around since 1896. Think they know something about fires and fire safety?

<http://www.redcross.org/services/disaster/0.1082.0.501.00.html> The American Red Cross is always ready to help in a time of need.

http://www.cpsc.gov/cpscpub/pubs/fire_sfy.html This site is the US Product Safety Commission.

<http://www.state.nj.us/dca/dfs/brochures.shtml> This is the website for the State Division of Fire Safety.

The bottom line is that we all need to remember to THINK fire safety in order to make a difference in the statistics that continue to show that more and more people are dying in preventable fires. Please help me to pass on the word and the concept on to everyone, especially your children!

Arson Awareness Week - May 1 through May 7, 2005.

National Fire Prevention Week - October 9 through October 15, 2005.

REMINDER: A Certificate of Smoke Detector/Carbon Monoxide Alarm Compliance is required for the change of tenancy or ownership in all homes and rentals. The State Division of Fire Safety has established the fees associated with this smoke detector/carbon monoxide certificate. This fee is based on the amount of time the application is made before the closing. Please make every effort to make the application to the Town of Clinton Department of Fire Prevention as soon as you

know that you are planning on selling or renting a residential type occupancy. This form and other forms may be downloaded from the Town's website <http://www.clintonnj.gov/>.

Business Owners:

The purpose of the State of New Jersey Uniform Fire Code (UFC) is to verify and maintain a minimum level of fire safety. This requires an annual inspection of your business to verify fire safety compliance. If any fire safety violations are discovered, subsequent re-inspections are conducted to make sure the violation is corrected. Please remember that any violations of the UFC are required to be corrected within the time listed on the violation notice. If the time frame cannot be met, then a request for an extension of time is required to be filed and approved. This form and others may be downloaded from the Town's website <http://www.clintonnj.gov/>.

I continue to see the following fire code no no's during routine fire inspections:

1. The use of extension cords. Check your businesses to verify that any extension cords are the correct type (not the residential zip cord type), not plugged into other extension cords, are not over loaded, and are not used instead of permanent wiring.
2. Exit and emergency light fixtures not working properly. These units are required to function at all times. Please remember to replace blown bulbs in the exit signs and test the battery function of these devices at least monthly.
3. Missing reports for fire protection equipment/systems. If you have a fire protection device or system in your space or building, it is required to be tested at certain intervals. Please make sure that the testing firm uses the correct report form and that they are certified to conduct the

Department of Fire Prevention (Continued)

specific test. Recently, the State instituted a business permit for fire protection companies and their staff. So be sure to ask for the credentials to be certain the company is allowed to conduct testing in NJ.

Lastly, there have been some recent recalls on various consumer products. Please visit

<http://www.cpsc.gov/index.html> for recalls and information.

If you have any of these items listed on the above website, I urge you to visit the appropriate product web site or call the company to have the recall corrected.

If anyone would like to speak to me

regarding any of the above-mentioned information or anything else, please contact my office at 908-735-2275. I would be happy to assist you in any way that I can.

Jack Daniels, Fire Official

Environmental Commission by Don Goeh

The South Branch River Clean-Up on April 16th, was again a very successful event. The turn out this year was fewer than past years, but a large quantity of trash was col-

lected. The Environmental Commission would like to thank all those that participated in the clean-up.

It was observed during the clean-up

that several businesses were negligent in keeping their areas free of debris. We hope this condition will be corrected.

Parks & Playgrounds by Rosemary Pendergast

Town Picnic

The date for the Clinton Town Picnic has changed! The new date is **Saturday July 16, 2005**, with a

rain date of Sunday July 17, 2005. The start time remains the same at 3:00pm. Please see the enclosed flyer for more details. There are still many opportunities to volunteer. If you are interested, please call Rosemary Pendergast at 908-730-9464 or email rosemary90@earthlink.net.

Senior Luncheon

The annual luncheon honoring the senior citizens of the Town of Clinton was held on Sunday May 1, 2005 at the new Clinton Rescue Squad building. With over 60 people in attendance, it was a huge success. Seniors enjoyed a catered lunch, entertainment, and door prizes such as gift certificates to Wal-Mart, A&P, and ShopRite. Clinton Canoe & Kayak donated beautiful hanging baskets that decorated the room, and were then raffled off. A great time was had by all.

Summer Recreation

The summer recreation program is

available and free to all children in the Town of Clinton and Glen Gardner who were in kindergarten through eighth grade this year. Registration forms were sent home through Clinton Public School in late March for this year's program to be held at the school June 27 through July 22. The forms should be returned to school by the end of the school year. New recreation director Tiffani Cinquemani has many wonderful events planned. Children will enjoy old favorites like a trip to the movies, plus some exciting new activities! Additional registration forms are available at the municipal building.

"Sprintin' Clinton"

The 26th annual Sprintin' Clinton will be held Sunday July 10th starting at the Clinton Community Center on Halstead street. There will also be a 1 mile Fun Run & Fitness Walk at 6:30. The

5K Run event starts at 6:45 PM.

This event is great fun for the whole family. Help keep yourself fit!

All finishers will get ribbons. All preregistered runners will receive a T-shirt.

All proceeds go to charity..

For more information, entry fees, sponsor forms, and applications, go to either:

www.clintonssunriserotary.org, or email bfischer@patmedia.net or call 908-238-0970.

Police Department

Bear country:

Believe it or not Clinton is located in black bear country. It is not unusual for bear to wander into town and under normal circumstances pose no threat to your safety or that of your pets. It is important to leave these animals alone. Do not

approach them or feed them under any circumstances. Take steps to make your garbage and bird feeder bear proof. Our police department has officers who have been specially trained by the state division of fish and game to classify and handle wandering or nuisance bears. Should you see a black bear in town, stay

clear and advise the police department at 908-735-8611 so that we can monitor the animals activities. If you have any questions regarding black bears or any other wild animal that you may encounter in town, do not hesitate to contact the police department.

Rubber Duckie Race July 10th at 2:00 PM

There will be 2000 Rubber Duckies

racing down the Raritan River in Clinton at the Falls. Only \$10.00 per duck will provide you the opportunity to win trips, gorgeous gift bas-

kets, gift certificates or the famous Last Duckie Trophy.

All proceeds will go to support the American Cancer Society programs of research, public education for Cancer control, Advocacy And Patient Service.

To sponsor a Duck, call The Clinton Sunrise Rotary, a not for profit community based organization, at 908-238-0970, visit any Guild store in Clinton for an entry form or come to Clinton on Sunday, July 10th. Duckies go on sale at 11:00 AM on Main Street that day.

Newsletter and Website Committee by Pat Hatalla

<http://www.clintonnj.gov>

Enhancements have been made to the website!!! Town Council, Board of Adjustment and Planning Board agenda and meeting minutes have been posted. So if you want to know what

your elected officials and volunteer representatives are discussing, check it out!!

Also, on the fun side we now have a Photo Gallery. We have pictures from the rabies clinic, the town appreciation dinner and the fishing

derby.

Any comments or suggestions about the Official *Town of Clinton website*, please email clinton-news@clintonnj.gov or call Pat Hatalla at 908-730-7708

Dept. of Public Works by Robert Cutter

"CAPITAL IMPROVEMENT PROJECTS" – UPDATE

TREE LIMBS AND BRANCHES to be placed at curbside.

RAKED DEBRIS to be in plastic bags ONLY— NO BUCKETS OR GARBAGE CANS

(See Town Trash & Recycling Card)

Clinton Seniors by Lois Terreri

A great big thank you to the Parks & Playgrounds Commission for hosting the Annual Seniors Luncheon on May 1st. It was a lovely afternoon.

And how about the new Rescue Squad building---isn't it impressive? As it is with the Fire Department, keeping their equipment in working order and up-to-date is an expensive proposition. Remember them during their respective fund drives.

Please note that the Hunterdon County Office on Aging is now the **Hunterdon County Division of Senior Services.**

Now, about the term "senior"! I overheard a few of actually trying to deny the fact that you are indeed one of us. When we were in school, "senior" was a great thing to become. When we are "seniors" by virtue of our age, we start denying it!

It IS a great achievement and should be thankful we've gotten to this point. The problem is that the body isn't always able to follow the brain's

commands, so we must learn to compromise. Fortunately for most of us, age creeps up slowly and we don't really pay much attention to it until the day we find ourselves on our hands and knees working in the yard or scrubbing a floor trying to figure out how on earth we are going to get back up on our feet! It obviously requires some preplanning and a sense of humor.

So with nice weather upon us for a few short months, get out there and do whatever you are able to do, but take safety precautions so you can **ENJOY YOUR SUMMER!**

Clinton First Aid & Rescue Squad

Volunteers Needed

The Clinton First Aid & Rescue Squad (CFA&RS) provides Basic Life Support (BLS) and Rescue services (vehicle extrication, water rescue, and technical rescue) to the Town of Clinton, and portions of Clinton Twp., Lebanon Borough, Franklin Twp., and Union Twp. The squad covers approximately 48 square miles, and answers about 1400 calls per year. They utilize a combination

of paid (6am-6pm, M-F) and volunteer (remaining hours) Emergency Medical Technicians, with approximately 80 volunteer members at this time. The squad operates 4 ambulances, a rescue truck, a marine support vehicle, 3 boats, a command vehicle, a technical rescue services trailer and a first responder car.

A wide variety of people can be utilized for various volunteer roles. Whether it is as an emergency medical technician, rescue technician, or a non-riding member, we need YOU! The Clinton First Aid & Rescue

Squad is a progressive leader in Emergency Medical and Rescue Services. All training and equipment is provided. Be part of our organization as we settle into our new headquarters. Call today to find out how you can help your neighbors through the rewarding and enriching experience of being a volunteer EMT. Interested individuals should contact Melinda Stortz at 908 735-4012.

Council Highlights by Colleen O'Reilly

January 25, 2005

~ Notification was received from the NJ Department of Environmental Protection confirming the approval of the Municipal Stormwater Grant to the Town.

~ Mr. Cutter sent letters of commendation to the staff for the excellent job that they did in the last snow storm.

~ Clinton Town Rabies clinic was

held on January 15 and 272 pets were given shots.

~ The Newsletter Committee would like to thank Kathy Sullivan for joining the committee.

~ Councilman Christenson mentioned a letter that was received from a town resident addressing concerns about truck traffic increasing and the noise it creates. The Environmental Commission will

attempt to do a sound study and ask the NJ DOT to also do testing and consider noise abatement.

February 8, 2005

~A CERT (Certified Emergency Response Team) exercise was held on February 15 at the Patrick McGaheran School. Five municipalities, including Clinton, participated in the drill.

~ A mural project is being planned

Council Highlights by Colleen O'Reilly (Continued)

for under the Route 78 overpass on Leigh Street. Local residents, Heide Funke and Karen Romagna are the project organizers and explained the public art project. It will consist of historic Clinton sites and local children will also participate in the project.

~ Summer recreation program will be held from June 27 to July 22.

~ Councilwoman Schaumburg announced that Craig Rogers has been appointed the new chairman of the Historical Commission.

February 22, 2005

~ Mayor Holt will be reading to the children at Clinton Public School on March 2 in honor of Read Across America, a NJ Education Association Project, which promotes reading for success.

~ Councilwoman Schaumburg reported that one of the Historic Commission's goals for this year is to determine the historic status of the Pony Truss Bridge. It is protected as a historic site in the State Register and the State Historic Preservation Office.

March 8, 2005

~ Mayor Holt made a correction to minutes from February 22 asking that the wording on the 2005 Budget introduction be amended to read, "The tax levy for the average home in Clinton will remain flat."

~ DARE graduation will be held at Clinton Public School on March 10.

~ Councilman DeCleene reported that the Olsen Lane project will be completed when the weather improves.

~ The Shade Tree Commission is holding their Annual Arbor Day Celebration on April 29th. A tree will be planted in front of the Grandin Library.

~ Councilwoman Janice Kovach is

running for the Assembly seat vacated by Connie Myers.

March 22, 2005

~ The NJ DOT responded to Mr. Cutter's follow up letter regarding the turn signals on Leigh Street.

~ A brief discussion was held about the status of the Town of Clinton's position to assist the property owners in the reinforcement of the Clinton Mills Dam/dike. The council members asked the property owners to put together a proposal by the dam/dike owners to present to the Town.

April 12, 2005

~ Councilwoman Schaumburg raised the issue of the noise problem with Engine Braking. Mr. Christenson reported that the Environmental Commission has been active in the area of highway noise and is drafting a letter to the State to see if Clinton is eligible for some type of remediation.

~ The NJ Department of Environmental Protection has notified the Town that Clinton will receive the 2005 Clean Communities entitlement.

~ Clinton has been named Tree City U.S.A. for 22 consecutive years.

~ Mr. Cutter reported that in accordance with Stormwater Management resolutions the sweeping of roads will take place once a month.

~ The South Branch Water Shed Clean up to be held April 16.

~ The Highlands Commission will be making presentations to 7 counties over the next three months.

~ The Clinton Rescue Squad is holding a Spring Volunteer Program. An Open House & Building Dedication will be held on May 7.

April 26, 2005

~ The Annual Fishing Derby at DeMott Pond will be held on April 30.

~ The Clinton Sunrise Rotary will hold the Hunterdon Rubber Duckie Race on July 10 at the Clinton Main Street Bridge. Proceeds go to the American Cancer Society.

~ The Rotary will also hold the "Sprintin' Clinton" race on July 10 from 6:30 to 8 pm.

~ The Clinton Guild requested permission to film a promotion of the Main Street shopping district.

~ Clinton Public School thanked Detective Jay Hunter for attending their Career Day and giving an exceptional presentation.

~ Mr. Cutter thanked the Environmental Commission for distributing pamphlets on stormwater management on River Clean Up Day.

~ Mr. Cutter reported that the Public Works department has been getting the ball fields ready for the season.

~ Mrs. Bleck's CPS class will be undertaking a spring project of painting the inlet heads.

~ Councilwoman Pendergast stated that the Town Picnic is scheduled for July 16.

~ The COAH Committee met and decided to retain Planner, Carolyn Neighbor of Schoor Depalma. She is working on the Housing Element and will have it ready by mid-May.

~ The Clinton Guild is planning a Wizard's Weekend, July 15-17.

~ Congrats to local business owner Nicole Gill, owner of Dani & Jonny's for opening Dani & Jonny's Cappuccino in High Bridge.

~ Thank you to Art Dysart of the Public Works department for painting the Town of Clinton signs in front of the municipal building.
