

# OUR TOWN

Clinton, NJ

Issue 57

June 2004

## From the Mayor's Desk...

Recently I had a breakfast/coffee meeting with Dr. Michael Schilder Superintendent of Clinton Public School, during which we discussed several issues. We talk regularly on the phone insuring the utmost in communication between the Town and the School, as we both agree that while the community of Clinton is made up of many different areas, (ie: School, Municipal, Business, Residential), it is the successful combination of all aspects of the Town that make up Clinton. Dr. Schilder and I have committed to insure that both the Municipality and the School work in harmony, as both are factors in making Clinton such a desirable place to work, re-

side, and raise our families.

As part of keeping you all informed, I have outlined some of the projects that are currently being worked on.

#1 There are some long term talks and meetings concerning the eventual reworking of the Exit 17/18 areas of Rt. 78 assist in keeping "pass through" traffic out of Clinton. This is very long term, and is essentially in the infancy phase, however, we welcome any conversation on this topic with the State.

#2 Halstead Street Bridge will be replaced, however, most likely in 2005-2006. Our Sewer utility will be re-lining a sewer main on Halstead Street at some point this year.

#3 Construction on the Exit 15 intersection is still scheduled for later this year. While not a complete fix, this project represents the first of several phases of traffic solutions at the west end of Town.

#4 We will continue to work with the State, as we have for several years, in pushing for the extension road on the eastbound side of Rt. 78. While this issue has been on the drawing board for several years, it is the consistent pushing by Clinton officials that has forced it to now be a very real potential project, with a current time line of 4-5 years. Traffic studies indicate that it will have a positive effect in decreasing traffic in the Exit 15 intersection, and improving safety for all traveling through the area.

#5 Demott Pond Dam will be rebuilt in the fall of this year. Once completed, we will also begin plans for a bank stabilization program to complete the pond improvements.

#6 Olsen Lane is scheduled to be reconstructed. Public information meetings were held in April, and construction later in 2004.

#7 Sidewalk maintenance - The Town will be reviewing

various areas of the brick work done over the years, and will be repairing a certain amount each year, as part of ongoing maintenance.

#8 The front porch of the Leigh Mansion (Municipal Building) will have some painting and wood repair work completed.

#9 Our Waste Water Treatment Plant will be upgrading the odor control facilities in the plant to assist in minimizing potential odor from the facility.

As most of you are thinking about vacation plans and the kids out of school, the full Council and I look forward to working hard this year in accomplishing these and other goals.

Shop and eat locally, supporting our downtown merchants.

Enjoy all that Clinton has to offer during the beautiful Summer months.

Matthew Holt, Mayor

## Planning Board Update

Summit Manor continued its presentation in front of the Planning Board on May 18th. The discussion centered around the traffic studies conducted by Lan-

gan Engineering and Gary Dean Associates. In addition, residents as well as members of neighboring communities were given the opportunity to ask

questions and provide comments on the project. The Board adjourned the meeting and has scheduled the next meeting for Tuesday, June 15.

## Department of Fire Protection by Jack Daniels

**Generally Speaking:** Now that spring/summer is finally here, please follow these safety tips. Enjoy the season and be fire smart and fire safe.

Be careful when cooking outdoors. Use of propane grills and charcoal grills can lead to an accidental fire. Keep all cooking materials in an approved container and in a safe location. Propane tanks should not to be located too close to buildings that a fire could affect the tank or grill fires affect the building. Never store propane tanks inside of your home or garage.

Please be sure to continue to practice fire safety in and around your home. Know at least two ways out of your home in an emergency. Plan for the worst and have a meeting spot for everyone to assemble at once outside.

Make sure that your hot water; heating and ventilation systems are still functioning properly. Verify

that your chimneys are clear. Improper functioning devices or clogged chimneys can lead to carbon monoxide poisoning.

Verify that your smoke/carbon monoxide detectors are functioning properly. These devices should be tested and cleaned regularly. Cleaning can be accomplished with a quick swipe of a vacuum cleaner hose.

**Business Owners:** A function of the Uniform Fire Code is to ascertain that there is a minimum level of fire safety in buildings other than one/two family owner occupied residences. With that said, I will be verifying that buildings subject to the Uniform Fire Code are at or above that minimum level. This will include what is known as "windowless stories/basements". If your building has this type of space, there are certain minimum requirements that need to be met. Please contact my office to arrange for an appointment to visit your building.

Compliance with this State Code is for everyone's safety. Please help me to help you in the effort of maintain our town Fire Safe.

**REMINDER:** Regarding the sale or rental of a residence, the State Division of Fire Safety has established the fees associated with a smoke detector/carbon monoxide certificate. This fee is based on the amount of time the application is made before the closing. Please make every effort to make the application to the Town of Clinton Department of Fire Prevention as soon as you know that you are planning on selling or renting a residential occupancy.

If anyone would like to speak to me regarding the above-mentioned items or anything else, please contact my office at 908-735-8616. I would be happy to assist you in any way that I can.

Jack Daniels, Fire Official

## "Sprintin' Clinton"

*The 25th annual Sprintin' Clinton* will be held Sunday July 11th at 6:45 PM starting at the Clinton Community Center on Halstead street. The race will be a 5K race this year. There will also be a 1 mile family fitness/fun

walk at 6:30.

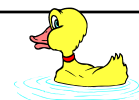

All finishers will get ribbons. All preregistered runners will receive a T-shirt.

All funds raised will be used for local charity and community service

projects.

For more information, sponsor forms, and entry blanks, go to either [www.clintonssunriserotary.org](http://www.clintonssunriserotary.org), or email [bfischer@patmedia.net](mailto:bfischer@patmedia.net) or call 908-238-0970.

## Rubber Duckie Race July 11th at 2:00 PM

There will be 2000 Rubber Duckies racing down the Raritan River in Clinton at the Falls. Only \$10.00 per duck will provide you the opportunity to win trips, gorgeous gift baskets, gift certificates or the famous Last Duckie Trophy.

All proceeds will go to support the American Cancer Society programs of research, public education for Cancer control, Advocacy And Patient Service.

To sponsor a Duck, call The Clinton Sunrise Rotary, a not for profit community based organization, at 908-

238-0970, visit any Guild store in Clinton for an entry form or come to Clinton on Sunday, July 11th. Duckies go on sale at 11:00 AM on Main Street that day.

## Dept. of Public Works by Robert Cutter

### CAPITAL IMPROVEMENT PROJECTS UPDATE

#### Project Status

1. Olsen Lane Improvement Project  
Summer - 2004
2. Concrete Paver Repair –Town-wide

Curbside on the **Wednesday, the week following recycling Day.** (See Town Trash & Recycling Card)

**Tree Limbs and Branches** to be placed at curbside. Raked debris to be in plastic bags **ONLY.** (No buckets or garbage cans.)

## Parks & Playgrounds by Rosemary Pendergast

The annual Senior Luncheon for all Senior Citizens in Clinton was held on Sunday May 2, 2004 at the Clinton Firehouse. About 50 Seniors enjoyed a chicken lunch catered by KC Catering, and served by Parks & Play-

grounds members, Mayor Matt Holt, and Councilman Gene DeCleene. Some special guests helped out as well. Sarah Wiant (daughter of committee member Lynn Angell), Gavin and Kelsey Bower (children of committee member Diane Bower), and their friend Catie Hallstrom were all present to lend a hand

serving food and clearing tables. After lunch everyone was treated to lively music and ventriloquism by a husband and wife duet. The event was capped off by the awarding of many door prizes, among them hanging plants donated by Clinton Canoe & Kayak, and gift certificates from Wal-Mary, Shoprite, and A&P.

## Newsletter Committee by Pat Hatalla

Town of Clinton Website is Coming!

For over 13 years, there has been a Town of Clinton Newsletter sent to all residences and businesses within the Town on a quarterly basis. The primary focus was to communicate what is happening within the town.

With the advances in communication technology, the Town Council would like the newsletter committee to take it one step further by establishing a Town of Clinton Website. This website will not replace the newsletter but rather be another source of information. We are currently in the exploratory stages and are targeting a basic site by the end of 2004. The advantage of a website is that the information can be updated more frequently and can con-

tain more information. For example, we can include identification of elected officials, council agendas and meeting minutes, what's new around town, calendar of events, photos, various links such as to the grammar school and high school, etc. The opportunities for enhancing the website are endless!

Current volunteers on the newsletter committee are Joelle Garber (Councilwoman), Pat Hatalla & Lou Pennucci (Co-Chairpersons), Pat Goethe, Ann Holt, Maria Valenta, Colleen O'Reilly and Sue Bolash. Feel free to contact any of the members if you have anything of interest you would like to include in the newsletter that would benefit the town.

We are looking for additional volunteers to share their expertise in

guiding us through this new venture. So, if you are a Webmaster by profession (or have developed web pages for fun) and are willing to dedicate a few hours a month, please contact Pat Hatalla on 730-7708.

## Police Department by Chief Matheis

### SUMMER FUN

Summer is a time to relax, have picnics, go to parties, community events, go on vacation or to just have a great time with friends and family. To help you enjoy your summer in Clinton here are some suggestions and reminders:

- 1.If you go away or on vacation please leave a vacation property check with the police department by calling our communications center at 908-735-8611.
- 2.If you are planning a get together or event at your house and parking

may be an issue, please contact the police department so we can help you work out the logistics.

3.Please be considerate of others in your neighborhood. The later it gets at night, the lower the volume of music and other activities should become.

4.If you are walking your dog on public property or the property of others - bring a plastic bag and clean up the mess. Nobody likes to receive a "pooper scooper" ticket.

5.Do not feed the wildlife or water-fowl in Town. This can make them dependent on humans and will create nuisance and other health problems.

6.Wear a helmet when enjoying your bike, scooter or skateboard.

7.Wear bright colored clothing when walking at night.

8.Only cross the street at the cross-walk.

9.Report all suspicious activity to the police department by calling 908-735-8611.

10.If you have any question regarding any law or regulation - please ask a police officer FIRST.

This can save you or your neighbors unnecessary inconvenience, the public unnecessary alarm and you money.

## Pet Licensing by Cecilia Covino

It has come to the attention of Town of Clinton municipal office, that stray cats have been wandering the neighborhoods. Please be advised there is an Ordinance requiring licensing of dogs and cats. If the pets are not licensed with the Town and are found

roaming, the Hunterdon County S.P.C.A. will be called to pick up the animal. They will charge a fee and you may be fined by the Town also. If you have a dog or cat and it is not licensed, please contact our office and we will be happy to assist you

Also, State Law requires a Dog Cen-

sus be done every two years. This year a Troop of Scouts will be conducting the census in the weeks ahead. The scouts will be lead by Troop 121 Boy Scout, David Klippstein, as part of an Eagle Scout project. Please assist the scouts in making this project a success!

## Environmental Commission by Don Goeh

The Spring Clean-Up of the South Branch River that runs within the town of Clinton was a success. There were sixty-five volunteers that participated.

The Commission would like to thank all organizations, schools, clubs and individuals that contributed their time and effort. These volunteer pro-

grams undertaken by the concerned citizens help make this community, Clinton, the place we like to live.

## Shade Tree Commission by Pat Goeh

### CLINTON ARBOR DAY - APRIL 30 2004

Someone said "a new tree for a new beginning". So it seemed fitting that this year's Arbor Day celebration should take place on

Main Street, in the heart of Clinton, where the rebuilding of two stores which were demolished by fire last year is taking place.

The Third Grade of Clinton Public School added to the celebration by having members recite poems and talk about the origin and meaning of

Arbor Day. Mr. Lou Spanner, the town Arborist, spoke about the type of tree that was being planted and each student was able to add a shovel of dirt to the process. They were also given an evergreen seedling to plant at their home.

## Clinton Seniors by Lois Terreri

A big round of applause for the Parks & Playgrounds Commission for hosting the wonderful annual seniors luncheon on May 2<sup>nd</sup>. The food was superb and the entertainment (The Morrisons) was lively and wonderful. Add to this the opportunity to spend time with other Clinton seniors, and the outcome was a pleasant afternoon.

We're always trying to update our roster, so if you know of any new senior citizen in Town, please let me know.

**AARP DEFENSIVE DRIVING EDUCATION PROGRAM:** If you want to refresh your driving skills and receive a discount on your insurance, consider joining other drivers in this program. Classes will be offered in May and again on **June 28, 2004**

from **9 a.m. to 4 p.m.** A \$10.00 fee must be paid in advance (check made payable to AARP), bring a bag lunch.

Call the Hunterdon County Office on Aging at 908-788-1361 for more information.

**SAFETY IN YOUR HOME:** The Hunterdon County Housing Corporation (HCHC) will install free of charge, grab-bars, handrails, ramps, chair lifts and other minor renovations for seniors who meet COAH "low and moderate income" financial guidelines.

**FREE FILE OF LIFE PROGRAM:** If you haven't done so already, don't forget to pick up your File of Life packet from either the Office on Aging or the municipal clerk's of-

vice. If you are unable to get to the Clerk's office and need to have it delivered or sent to you, call me at 735-8616.

**VOLUNTEER MEDICAL DRIVERS NEEDED:** Volunteer drivers are needed to transport seniors to medical appointments. There is no specific time commitment, as it depends on the volunteer's choice and availability. This service is deeply appreciated by seniors. For more information, call Marian at 788-1368.

**NJ DRIVERS'S LICENSE:** Legislation was passed requiring NJ drivers to demonstrate proof of identity when renewing their licenses. Call the Office on Aging (788-1361) regarding a Senior Photo I.D. (June 1 from 10 a.m. to noon).

## Town Of Clinton Afghan Sale

The Woman's Club of Clinton is selling the Town of Clinton afghan, which depicts various historic sites of Clinton, such as the Municipal

Building, Red Mill, Art Center, etc

The proceeds from the afghan sale contributes to the scholarship fund, The afghan is being sold for \$55 and

can be obtained at Walking Man Antiques in downtown Clinton or by contacting Helen Frazee on 735-8386.

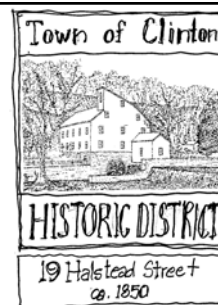

## Historic Preservation Commission Offers Plaques

The Clinton Historic Preservation Commission is offering plaques for homes in our historic district. We currently have an artist's rendition of two styles, one oval, and one rectangular; the price is intended to be in the \$50 range. We would appreciate your input.

We cordially invite you to attend our meetings the third Wednesday of each month from 7 – 8 in the evening.

Please e-mail your request or comments to: [clintoncitadvisory@yahoo.com](mailto:clintoncitadvisory@yahoo.com).

## Tax Relief By Lou Pennucci

*Did you know that....*

\*Certain veterans or unmarried surviving spouses are entitled to a \$250 property tax deduction?

\*100% disabled veterans or unmarried surviving spouses may be entitled a full property tax exemption?

\*Senior citizens, disabled persons or unmarried surviving spouses may be eligible for a \$250 real property tax deduction?

If you think that you may qualify for these property tax deductions or if you are entitled to other New Jersey Tax Benefits, you can log on to

[www.state.nj.us/treasury/taxation](http://www.state.nj.us/treasury/taxation).

Clinton residents may call Nancy Smith, Town of Clinton Chief Financial Officer, at 735-2275, if they have questions about these or other property tax benefits.

## Council Highlights by Colleen O'Reilly

### February 10, 2004

~ Ordinance #04-02 was adopted, making Mountainview road from Alton place to the town line a no parking area.

~ The Citizen's Advisory council met on February 10<sup>th</sup> and reorganized, appointing Lou Tranquilli as chairman.

~ Police Chief Matheis reported that Patrolman James Kramer was recently sworn in and is performing field training.

### February 24, 2004

~ Clinton Township Councilwoman, Antje Doyle, appeared before the Town Council to ask for support of their opposition to a proposed Regional Transportation Center (Park & Ride) to be located in Clinton Township off of Petticoat Lane. The proposal calls for a 1,000 car Park & Ride which could severely impact traffic congestion in the area. The Council agreed to continue the discussion at their next meeting.

~ Mayor Holt introduced the 2004 Budget thanking everyone involved for their hard work.

~ Mayor Holt asked Mr. Cutter to contact the NJDOT regarding the new light at the Leigh Street Bridge. The concern is that left turn directional signals were only placed on Old Route 22 and not on Leigh Street, which causes traffic to back up at busy times, like school dismissals.

~ The Parks & Playgrounds Summer Recreation Program is scheduled for June 28-July 23, 2004 and is open to children from Clinton and Glen Gardner. It will be held from 9 am to 12 at CPS.

~ The Town Picnic is scheduled for June 26<sup>th</sup> from 3 to 10 pm.

### March 9, 2004

~ A letter of resignation was accepted from a long time member of the Environmental Commission,

Eva Outhwaite.

~ Mayor Holt addressed the proposed Clinton Township Park & Ride that was brought up at the last meeting. The Council agreed to support the re-examination of the project, proposed by Clinton Township.

~ Citizens Advisory reported that the Town Yard Sale is scheduled for May 15<sup>th</sup> and that fliers are available in the Clerk's office.

~ Councilman Bahto reported on the Rescue Squad and stated that the estimated time of completion for the new squad building is July.

~ Councilwoman Garber reported that a reorganization meeting of the Clinton Guild was held on March 3<sup>rd</sup>, electing new officers and board members.

### March 23, 2004

~ Mayor Holt made a Proclamation to the CPS Girl's Basketball Team congratulating them on their successful season.

~ Mayor Holt participated in National Book Week at CPS and read to the children.

~ Jennifer Feldman, Chairman of the Historic Commission, sent a letter to the Mayor resigning her position.

~ The Public Hearing of the 2004 Budget took place.

~ Mayor Holt summarized the recent discussions regarding the proposed Park & Ride in Clinton Township. Council adopted a resolution to express opposition to the Transportation Center Project for Clinton Township.

~ Special Event, Fleet Art in the Open was approved for Sunday, June 6<sup>th</sup>.

~ Rubber Duckie Race and Sprintin' Clinton events to be held on July 11<sup>th</sup> were approved.

~ Mayor Holt thanked the Town Dinner Committee for making it a

very successful evening.

~ Councilwoman Kovach reported that Lori Insel is now acting chair of the Historic Commission.

~ Councilman Christenson thanked Sgt. Robert Krempa, who is retiring after 24 years of service. Among many other accomplishments, Sgt. Krempa started the DARE program in Clinton.

### April 13, 2004

~ Mayor Holt thanked Cheryl Christenson and Kyle Shultz for all their years of hard work dedicated to the Town Newsletter. He presented them with gold plated plates to memorialize their dedication. Both women retired from the newsletter in December, 2003.

~ Mayor Holt said that he received a letter of resignation from David Osborne, member of the Board of Adjustment and liaison to the Planning Board and member of the Affordable Housing Committee. Three resumes were received and Mayor Holt recommended Chris Lindsay to fill the position on the Board of Adjustment and a motion was made and approved by the Board.

### April 27, 2004

~ Mr. Cutter discussed the situation about the signal light at corner of Leigh Street and Route 173 and the lack of a green arrow on Leigh Street. He is continuing discussions with NJDOT to see if this can be accomplished.

~ The Annual Fishing Derby was a success. There were 306 attendees, 51 residents of Clinton.

~The North Hunterdon-Voorhees Regional High School District Budget was recently defeated by the voters. The High Bridge Council has suggested hiring an accountant to see where cuts can be made at a cost of \$15,000. The Board has decided not to participate in this suggestion.

## Around the Town for Summer Fun by Ann Holt .
