DEPARTMENT OF PUBLIC WORKS SEWER LABORER/OPERATOR TRAINEE – TOWN OF CLINTON (HUNTERDON COUNTY) The Town of Clinton is seeking an individual to assist in the operation, maintenance and repair in the Sewer Department as a Laborer/Operator Trainee. Under supervision, the successful applicant will install, maintain, and repair sewer mains, valves, pumps, and other sewer service equipment located at the Town's Waste Water Treatment Plant or other above-ground/under-ground sewer infrastructure, as well as perform EPA / NJDEP required laboratory and process testing and any other duties as assigned.

Applicants must possess a valid driver's license and have clean driving history (CDL is a plus). A minimum of a high school diploma (or equivalent), as well as the ability to read, write, speak, understand, and communicate in English sufficiently to perform duties of this position is required. Knowledge and experience with the varieties types of tools used in maintenance and repair of sewage treatment equipment preferred. This position requires the applicant to be available to work 24 hours a day, seven days per week as the need arises. Interested applicants should submit a completed employment application to Richard Phelan, Business Administrator at 43 Leigh Street, Clinton, NJ 08809 or submit via e-mail to rphelan@clintonnj.gov. Applications are available on the Town's website (www.clintonnj.gov) or in-person at the address above.
